

REMARKS

By the above amendment, the paragraph bridging pages 76 and 77 in the specification has been amended for correction of a literature citation. No new matter has been added. Thus, this amendment is for a purpose unrelated to patentability, and no estoppel should be deemed to be associated therewith. A copy of the corrected literature reference is submitted in the enclosed Third Supplemental Information Disclosure Statement.

If there should be any questions, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,  
Toshihito MIYAMA et al.
